

Your Renewal Default Tariff Terms and Conditions

- ¹. The Unit rates includes up to a 9% discount applied to Iberdrola's Standard Rates. The level of discount will vary based on your Payment and Billing Method. All Discounts are subject to change and if required we will inform you of any change. Discount variations as detailed below:

 - ^a. You will receive a 9% discount if your payment method is Direct Debit and you receive online billing. This discount includes a 5% discount for Direct Debit and 2% for online billing. A standard 2% baseline discount exists. If you change your payment method or billing method the relevant discounts will be removed.
 - ^b. You will receive a 7% discount if your payment method is Direct Debit and you receive paper billing. This discount includes a 5% discount for Direct Debit. A standard 2% baseline discount exists. If you change your payment method the relevant discounts will be removed.
 - ^c. You will receive a 4% discount if your payment method is not Direct Debit and you receive online billing. This discount includes 2% for online billing. A standard 2% baseline discount exists. If you change your billing method the relevant discounts will be removed.
 - ^d. You will receive our 2% baseline discount if your payment method is not Direct Debit and you receive paper billing.
- ². These terms and conditions are in addition to our General Terms and Conditions for Domestic Customers, which are available at iberdrola.ie/terms and which you signed up to when you joined Iberdrola as a customer.
